ABOUT SIKKIM

Situated in the eastern Himalayas, Sikkim, a heavenly paradise on earth, is one of the most beautiful states of the Indian Union. It has been described as 'Home to the Himalayas' and 'Traveler's Paradise'. It is the second smallest state after Goa in India. It borders Nepal in the west, Tibet Autonomous Region of the China in the north-east, and Bhutan in the southeast. It is adorned with snowy mountains, luxuriant forests with exotic flora and fauna, pristine waterfalls, sacred lakes, holy caves, medicinal hot springs, cascading rivers and gentle streams. It prides the third highest mountain in the world, Mt. Khangchendzonga which is worshipped as the Guardian Deity of Sikkim. It is a destination of tourists for all seasons.

Drive to Sikkim is an unforgettable and pleasant experience. A pleasant drive from Bagdogra and New Jalpaiguri in West Bengal brings the visitors to Gangtok, the capital of Sikkim, in a matter of few hours. A ride in the helicopter takes only 30 minutes to reach Gangtok from Bagdogra.

Dates To Remember

First Announcement

On behalf of Indian Academy of Tropical Parasitology, Faculty of Microbiology, Sikkim Manipal Institute of Medical Sciences are pleased to announce the 11th National Conference of IATP-TROPACON this year on September 6th – 8th, 2017 at SMIMS, Tadong, Gangtok, Sikkim under the theme "Food hygiene, safe environment and sanitation towards freedom from parasitic diseases".

The event will provide medical faculty, researchers, practitioners, and public health professionals a unique opportunity to present their research findings, experiences, and views to a wider audience and facilitate knowledge sharing through interaction. The program will cover a wide range of tropical parasitic diseases, including CME on recent advances in research of parasitic diseases, the diagnosis, treatment and control of malaria, leishmaniasis, intestinal helminthiasis and paragonimiasis that are relevant to India. The scientific sessions will include updates, oral and poster presentations and pre conference workshop on importance of paper writing, molecular identification of hookworm species, and examination of fresh water snails for cercarial infection (Paragonimus). We cordially invite you to join us and take active part in three days conference of interesting and rewarding sessions and interactions and make this event a grand success. We will be sending details of the event in the second announcement. We look forward to welcome you to Sikkim this September.

Dr. Subhash Chandra Parija
President, IATP

Dr.T.S.K. Singh
Organizing Secretary.

Dr. Dechen C. Tsering
Joint Organizing Secretary

About SMIMS

A historical agreement was signed by Government of Sikkim with Manipal education and Medical group on 12th March 1992 to establish Sikkim Manipal University of Health, Medical and Technological Sciences vide Sikkim Manipal University of Health Medical Technological Sciences Act no.9 of 1995.

The then president of India Shri R. Venkataraman laid the foundation stone of the Central Referral Hospital on 22nd April 1991, and was formally inaugurated by the Hon'ble Chief Minister of Sikkim Shri. Pawan Kumar Chamling on 4th May 1997. SMIMS was born on 10th October 2001 with the admission of 100 medical undergraduate students and with this the Central Referral Hospital became its teaching hospital. Located in a sprawling area measuring 25.113 acres, donated by the Government of Sikkim, the institute has a total plinth area of 33569.14sq.meter. Considered to be the largest building in the state of Sikkim, the institute commands a majestic view for anyone travelling to Gangtok on NH 10 (formerly NH 31A). In view of the broad objective of providing excellent medical and paramedical education and health care, the mission statement of SMIMS is "Excellence in medical education and health care and human resource development with dedication and devotion".
