

# INDIAN ACADEMY OF TROPICAL PARASITOLOGY (IATP)

PRESENTS

## NATIONAL QUIZ ON TROPICAL PARASITOLOGY (2<sup>nd</sup> Announcement)

Professor S C Parija  
President of IATP

"Parasitic diseases are often neglected and come under the entity of Neglected Tropical Diseases. To promote knowledge about the diagnosis and management of parasitic infections, IATP introduces this novel platform in the form of National Quiz among medical students. After last year's huge success, IATP has decided to conduct this event yearly."
